## About Us

Founded in 1998 in Mumbai, Maharashtra, Global Exim began its journey with a mission to produce and export premium quality products to stand out in the competitive arena. For more than two decades, we have been working sincerely and maintaining our ethical policies to reach a wide client base across India and abroad. Over these years, we have achieved many accolades and reached many business objectives. Today, we are known as one of the leading manufacturers, suppliers and exporters of a wide range of products such as HDPE Construction Buckets, 100% Virgin Nylon ropes, Commercial Ropes, Detergent powder, Safety Helmets, Sanitary Wares, PP Woven Bags, FIBC Jumbo Bags, UPVC Ball valves, HDPE Tarpaulins, Mutton Cloth etc. We believe in developing new products as per the buyers requirements to suffice their needs. We have a large manufacturing facility, equipped with all kinds of advanced machinery and tools to produce premium quality products within a specific time. We have a competent team of experts who give their best in their individual domains to streamline overall operations.

Headquartered in Mumbai, Maharashtra and various production facilities in Madhya Pradesh, Global Exim has expanded its business to various horizons since 1998. As a trusted manufacturer, supplier and exporter of various products such as HDPE Construction Buckets, 100% Virgin Nylon ropes, Commercial Ropes, Detergent powder, Safety Helmets, Sanitary Wares, PP Woven Bags, FIBC Jumbo Bags, UPVC Ball valves, HDPE Tarpaulins, Mutton Cloth etc. We believe in developing new products as per the buyers requirements to suffice their needs. We have built a cohesive team of professional experts. Our team consists of experienced engineers and highly skilled technicians who have lots of experience in their domains. We are committed to delivering innovative solutions customized to the unique requirements of our clients. We supply products to many small and medium enterprises. Moreover, we are members of some renowned organizations where we give our expert consultation on special products.
